Steel Business Briefing is proud to present the final report in the series of reports about North African steel industries by *EuroStrategy Consultants*.

Learn more about Algeria, understand the factors underpinning a country's historic and potential steel demand.

This report includes the following topics:

- a description of the political, economic and social context within which the national steel market functions
- an analysis of historic steel demand and supply, including detailed analysis of overall trade balances and trade flows by key region
- detailed annual steel demand forecasts for 2008 – 2013 and a point estimate for 2018
- a description of supply-side developments
- overviews of the key sectors driving demand for steel.

**Make sure you know everything about Algeria. Identify the opportunities to start making profitable deals.**

**Complete your New Growth Market collection or start it now with Algeria!**
